

SUGGESTED SUPPLY LIST

IMPORTANT!

For the first two indoor days of the workshop, please bring photos, digital images or painted studies to work from. If you bring painted studies please bring photo reference of the scene that you painted. Bring enough reference also in case of inclement weather.

SUGGESTED PALETTE

You can work with your own palette, but if you prefer you can work with my palette. The colors listed below comprise the palette that I am accustomed to working with. This limited palette forces me to have to mix all of the colors I see in the landscape. I will be instructing the workshop based on this palette.

Permanent Alizarin Crimson	Cadmium Yellow Medium	Raw Sienna
Permanent Rose	Ultramarine Blue	Titanium White
Cadmium Lemon	Transparent Oxide Brown(Rembrandt brand)	Ivory Black

BRUSHES AND OTHER PAINTING TOOLS

I like to use bristle brushes or what is referred to as “Hog Bristle” brushes and soft brushes in the following sizes.

Bristle brushes

Filberts: An assortment of sizes: Number 2, 4, 6, 8, and 10

Brights: An assortment of sizes: Number 2, 4, 6, 8, 10

Soft haired brushes

(Suggestion badger hair or synthetic brushes in sizes of 1” to ½”).

Palette knives: An assortment of two to three, small to larger knives.

CANVAS OR CANVAS PANELS

You can work on stretched canvas, canvas panels or cut pieces of canvas taped to a rigid surface. What I would like to stress is that in a workshop you should not be so concerned with coming home with beautiful finished paintings. This is the opportunity to explore new ways of looking at the landscape from a different artist’s view. I suggest bring a number of smaller canvases (3 to 4) to work on each day. We can get through problems quicker in a smaller format and continue on to another painting.

Suggested sizes: 6” x 8” / 8” x 10” / 9” x 12” / 11” x 14”, no larger than 12” x 16”

PAINT THINNER

Gamsol

FRENCH EASEL/POCHADE BOX

There are many portable easels and pochade boxes on the market. I use a variety of outdoor set-ups to suit my needs.

PALETTE

There are a variety of palettes for artist to choose from. I would suggest you use one that you are comfortable with. There are paper palettes; plastic ones with lids, wooden hand held ones and some of the newest ones are palettes that work with the French style easels. Some of these are referred to as “The French Companion” and the “The Easel Pal”. I have one similar to these and find it to be my choice of palettes.

SUGGESTION OF ADDITIONAL ITEMS

Hat or Visor

Umbrella (There are not always shady areas to paint under. The umbrella will keep the sun off your painting surface and palette; it may also keep the sun off you too. There are many on the market. I use one that I bought through one of the art suppliers, it has a flexible neck and will clamp on to my French easel.)

Sketchbook

Panel box carrier (A box that is used to keep separated and carry wet paintings that are painted on either gessoed or canvas covered panels. They come in various sizes)

Palette knife

Soft pencil

Small container to hold paint thinner

Drinking water or some type of beverage

Folding chair (Optional)

Kleenex or paper toweling

Bug repellent

Bungee cords and or spring clamps

Sun block

Trash bags

Rubber gloves (Optional)
